The "Allison" chair is shown in Imperial Resort Green, a dramatic dragon motif. The tall tapered legs' collared detail at the base adds grace to this classic accent chair.

The relaxed-modern look of the "McCoy" sofa is fun and functional with its wide arms and block legs that will most certainly be a part of family room gatherings. Shown in Boca Indigo velvet.

The "Ramsey" chair is a beautifully curved wing chair that has a peak-a-boo back that makes this chair a perfect piece to float in a room. Shown in Blink Linen, this savvy piece is sure to please!

The "Soto" cocktail ottoman provides extra seating and a removable tray insert that is great for entertaining. Shown in Verdeca Snow leather and a Hazelnut finish.

The "Herman" chair, covered in Boca velvet Gen Z Yellow, features an Ash wood frame that cradles the tight back and seat while giving a sophisticated nod to the Mid-Century era.

The "Lydia" chair shown in Layla Navy, a classic color pairing of navy and Kelly green. Slender, slightly flared arms create a sensuous look while turned legs ground the chair in a Honey Pine finish.

## COMPANY INFORMATION

Passion. Finesse. Community. These are the pillars that started Taylor King almost fifty years ago. As one of the nation's leading manufacturers of American made custom upholstered furniture, we attribute our success to an unparalleled commitment to quality and comfort in combination with an extensive fabric line rigorously edited to have just the right mix of couture fabrics and everyday fabrics. We would be honored to create a beautiful piece of furniture tailored just for you.
