Aquamarine Wall Sconce; Aquamarine's smooth, irregular petals of Vintage Polished Brass and alabaster are placed slightly askew for a layered look.

Budapest Wall Sconce; Budapest's treaded, track-like alabaster detailing gives this artful sconce an edge. When lit, the striking alabaster creates a warm glow to complement the Vintage Brass metal.

Cobalt Wall Sconce; This simple sconce shape features an opal glossy globe resting within an Alabaster disc. The Alabaster picks up the light from the globe, casting a gentle glow on the wall behind.

Coralie Pendant; Layers of petal-like shapes, first in Vintage Gold Leaf then in capiz shell, create a stunning cascading effect that feels both natural and sophisticated.

Freesia Wall Sconce; A series of abstract, angular shapes come together to create this eye-catching sconce that plays with shape, light and form.

Hamel Flush Mount; Mixing materials and playing with shapes, Hamel places a metal disc shade in front of a natural stone backplate. Available as a sconce or a flush mount in two different sizes.

Marietta Wall Sconce; Marietta has an overall soft, organic style that is enhanced by the globe's irregular shape. The Vintage Brass backplate + shadecap are a perfect choice to pair with opal glass.

Tourlamine Wall Sconce; The Vintage Gold Leaf finish adds a soft shine and depth to the design. A white linen half-shade not only radiates a soft glow, it also hides the backplate.
