COMPANY INFORMATION

Founded on the belief that everything we do should electrify the room, Regina Andrew sparks self-expression and creativity through unforgettable design. Our roots run deep in the city we call home. Known as the Paris of the Midwest, Detroit style and character have shaped who we are, what we make and how we make it. Our pursuit of inspiration has taken us across the globe to discover materials and forms that drive our designs. Crafted with an obsessive attention to detail and a quest to deliver the unexpected, our products, much like the journey that inspired them, have a story.

Regina Andrew Design is creating a magical experience through its diverse product lines, featuring Lighting, Chandeliers, Furniture & Decorative Accessories.
