The Aurelia Collection is as beautiful displayed on the shelf as it is filled with up to 12 oz shaken beverage, champagne, or decadent dessert.

An organic notched opening gives the small Caldera Pot distinction, intentionality & artistry among other classically shaped planters.

Checkerboard is taking the decor world by storm with its reimagined look. Add a plant to this small, hand painted Checkerboard Pot!

With a timeless shape & clean sophistication, the glass Malaga Candleholder offers an uncommon elegance with its muted hues.

Large, multipurpose & made from natural materials, the double-handled, black & tan striped Mirador Basket offers an easygoing addition to decor.

Give your plants a gorgeous home to blend in but stand out in the large-scale, neutral-colored outdoor Pakiva Planter.

Build shape & dimension in a gallery wall, entryway, or small space with the sleek form & function of the circular Santander Shelf.

Perfect for adding a touch of texture to your outdoor space, the Ari Planter is the perfect addition for your patio.
