Our squat pitcher is a perfect pitcher, but also makes a lovely vase and statement piece for your house. We offer it in pink, black, and blue. It makes a wonderful gift for men and women!

These petite pourers can hold vinaigrette, sabayon, or coulis as well as make the sweetest bud vases. We did a VIP gift box of these for Four Seasons Hotel Philadelphia.
H: 6" x W: 2" x D: 2"

One of our favorite products, it is also incredibly versatile. It can hold your favorite beverage (scotch, wine, tea) AND plants! We sell these in sets of 4 in a single color.
H: 3" x W: 3" x D: 3"

Does your Pimm's cup need a fancy cup to match? Look no further than these lovely cocktail glasses. They make sipping your favorite drink a pleasure! Sold in sets of four of a single color.

This pitcher is a modernist dream. It can stand alone as a decorative object, but also be used as intended for water, ice tea, or cocktails!
H: 12" x W: 9" x D: 4"

We've designed our work so that you can mix and match the colors, but we must say we also love how striking these are in red!

Which piece is your favorite? We design each piece 3 dimensionally so it makes a statement at whatever angle it is viewed by.
