TRIBECA

Tribeca combines an understated sensibility with a relaxed mood and heritage craftsmanship. The look is built on simplicity, emphasizing the rich character and warmth of curated materials. PLUSH

— B E R N H A R D T —

Plush is the culmination of our quest to create the world's most comfortable sofa. Stylish and modern with deep, comfortable, luxurious seating, Plush is a new experience in design for living spaces, combining natural fabrics with relaxed tailoring, sumptuous down cushions and gracious scale. After extensive research and development, the Plush Feather Down Cushion offers the industry's most luxurious seating experience. To care for the cushions, you should turn and rotate them to wear evenly, fluff them as you would a pillow and vacuum them regularly for maximum resiliency. It is natural for feathers to come out of the cushions occasionally. Plush is so much more than just a sofa. It's the perfect combination of unprecedented comfort with sophisticated, uncompromised styling.
