Drawing inspiration from modernized Art Deco interiors, Castor features a construction of thick glass tubes, ridged to resemble stacked rings

Inspired by Art Deco design, this grand chandelier features three tiers of lustrous cascading alabaster panels.

Handcrafted with natural wood beads, the conical shade of Tallman demonstrates artisanal finesse.

Finely handwoven from bleached abaca rope, Yorkhill channels bohemian style with its macramé-like design.

Reminiscent of a dangling jewelry charm, Ares lends an otherworldly beauty to modern interiors.

Recalling the shape of a bluebell, the Hela pendant features a three-tiered bloom crafted from etched clear glass.

Originally inspired by 'superfluous' jewelry settings, where a stone is set into densely cast metalwork, Bezel is bold and glamorous with a sleek, decorative design.

Recalling Roman antiquities, the Lariat family strikes a balance between clean, straight lines and the fluidity of swooping jewelry chains.
