Exquisite tables, case goods and upholstery for residential and hospitality markets showcasing hand-carved craftsmanship for today's unique interiors.

Liora Manné | IH506

Liora Manné's patented Lamontage® process changes the way we interact with textiles. Free of the limitations of traditional woven, knitted or printed textiles, our process produces handmade, fully-customizable, high-performance rugs, wall or ceiling covering, upholstery fabric and decorative art, which are anti-microbial, stain-resistant, bleach-cleanable and easy to maintain. Customize an existing design or provide your own inspiration at no additional cost with a low 24 square foot minimum. The Lamontage® process allows for full flexibility in creativity.

Mobello | IH402B

At Mobello we design spaces that evoke magical lasting moments of serenity and well-being through thoughtfully crafted high-end artisan heirlooms furniture that is infused with the spirit of the craft; where the raw material, just like us, is transformed into the best version of itself. In an increasingly fast-paced world where overconsumption is destroying our environment, it is our duty to make and encourage conscious purchases.

Modern Matter | IH202

Dedicated to understated glamour and high quality, Modern Matter creates artisan-inspired hardware that is as elegant as it is durable. The company offers a customizable collection of hand-crafted solid brass hardware featuring hand-polished gemstones and luxury materials. Modern Matter collaborates with leading interior designers to create cabinet and door hardware, bathroom accessories, and shelve brackets that are a marriage of sophistication and functionality. This Market, the company is thrilled to debut its new collaboration with California-based design studio Pure Salt Interiors, which will introduce new materials like leather, wood, and rattan to cabinet hardware. In addition to the new launch, Modern Matter will also be presenting an exquisite collection of wall-mounted bathroom fittings and its best-selling assortment of hardware.

Natures Collection | IH210

Timeless Danish design and handmade quality crafted from natural organic and authentic materials. In our Living Collection we proudly present natural sheepskin cushions, stools, daybeds, designer rugs and furniture.

Nima Oberoi – Lunares | IH106

Nima Oberoi - Lunares is a lifestyle driven company which carries a full line of luxury home decor and entertaining pieces. At the highest level of design, organic and innovative objects are inspired by the rich, cross-cultural influences of the designer Nima Oberoi. Combining her highly unique style and sensibility with modernism, Nima stands as a truly individual voice and continues to present innovative and deeply meaningful collections. The clean lines of the metallics are intensified by surprising additions of sophisticated yet whimsical details. Each unique piece is hand-crafted using ancient artisanal techniques and is an expression of the designer's philosophy - to embrace life with glamour and soul.

Noir | IH002

Noir is recognized for designing, building, and importing a unique collection of natural, simple, and classic home furnishings.

Nourison Home | IH101
Boasting more than 70 active program rug collections, award winning broad-loom and private label programs, including Calvin Klein Home, Nourison is the leading multi-category resource in today's floor covering market.

Nuevo | C100, Commerce Lobby
Modern contemporary furniture, lighting, and home accessories.

Olivia + Quinn | IH307, IH309
A boutique leather upholstery collection committed to fine quality and timeless design

One For Victory | IH300
One For Victory is a California company that focuses heavily on the grace of craft. Following a long lineage of artists and entrepreneurs, our collection reflects an appreciation for thoughtful design and its role in creating beautifully crafted furniture: premium leathers, luxe fabrics, integrity of materials, finessed proportions, clean tailoring, and smart details. Embracing vintage influence and highlighting the natural beauty of materials, our independently owned business with decades of shared industry experience brings to market classically modern pieces uniquely fashioned for livability.

PARROT Crafted Furniture | IH406
Committed to the social environment and the environment, we use wood and materials produced in a sustainable way and by merging with modern manufacturing techniques and fine labor-intensive artisanal processes, we produce unique and exclusive decoration accessories and furniture.

Piegatto | IH601

Piegatto is a design studio based in Guatemala that focuses on the interaction between digital manufacturing and artisan craftsmanship, whose instantly recognizable designs breathe new life into the traditional crafts of the region. We create wooden sculptural furniture and bamboo lighting that question how space and matter interact. Crafted by skilled artisans, our pieces embody the essence of movement—rooted in nature’s grace and the energy we share. Enter a world where love and design intertwine, where every encounter becomes an ode to profound connections.

Pooky Lighting | IH409

Put simply, Pooky is a UK-based decorative lighting company that designs and makes high-quality, beautiful lighting that looks like a million dollars but doesn’t cost a fortune. Since launching in 2014, we’ve become the go-to destination for leading interior designers and people with fabulous taste in luminary loveliness. Our vision is to become one of the leading international decorative lighting specialists that light up people’s lives. In short, we’re loopy about lighting!

Port 68 | IH105

A classic mix of styles in a collection of lamps, accessories, accent furniture and upholstery presented by color and pattern.

Designed in sunny Southern California and just like the perfect cocktail, we've concocted a delightful collection of affordable furnishings using a blend of high-quality materials and expert craftsmanship, ensuring that each piece is a true masterpiece.

Union Home | IH411

Thoughtfully designed Furniture and Wall Decor with Scandinavian-inspired details in solid woods and warm metals for the Living Room, Dining Room and Bedroom.

urbanea | IH104

With over 40 years of experience manufacturing furniture, urbana brings to INTERHALL a new contemporary collection named Deconstruct. This collection, including living, dining, and outdoor designs, will adapt to any lifestyle by delivering a fresh perspective focused on the materials such as walnut, teak, leather, iron, and natural fibers. The vision for this line results from using responsibly sourced materials and the creative hands of skilled artisans. Limitless customization of the designs gives the Interior Professional a chance to offer a refreshed experience.

Villa & House | IH610

Inspired by history, made for today, always reaching for the future. We have a passion for bringing a modern perspective to classic luxury. We collaborate with handpicked craftsmen from all corners of the world to create unique materials. Our pieces feature meticulous artistry, whether hand-wrapped grasscloth furniture or hand-hammered metal accessories, every detail is considered.

Wexel Art | IH508

More than ten years ago, Wexel Art declared the premise that you should be able to change your art displays as often as you change your mind. Its floating wall frames, which feature a single panel of acrylic plus magnets to hold the art in place, put the company on the map. Now it has expanded to include double panel frames (sandwiching pictures between two pieces of acrylic), tabletop frames, shadowboxes and partnerships with local independent artists to produce framed art collections.

Worlds Away | IH500

Casegoods, iron furniture, mirrors, lighting and accessories that transition from elegant to contemporary with an emphasis on classic shapes and design.

Worthen Custom Iron & Brass Furniture | IH209

Worthen Custom Iron & Brass Furniture, formerly Brass Beds of Virginia, has been handcrafting custom iron and brass beds, furniture, and accessories in Richmond, Virginia, since 1975. Our beds have captivated the attention of the country's best designers, hoteliers, and design enthusiasts for generations because we keep the value and tradition of timeless design at our core. Each piece from our factory is a work of art made by hand by skilled artisans using centuries-old techniques. We offer customizations to our current product line, custom finishes, and complete custom from drawings or photos. Our current lead time is 4-8 weeks.

York Wallcoverings | IH303

York Wallcoverings opened its doors in 1895 and is the largest wallcoverings manufacturer in the United States. With every type of wallpaper printing press available in-house, York's innovative design studio's hands-on creativity pervades the York process, bringing each artistic vision to print reality. York makes all wallcovering product types, blending new technologies and authentic handcrafting in a master mix of heritage and innovation.

Zodax | IH306

Global influences, unique designs and value are what sets the Zodax Collection of accessories apart. Attention to every detail and quality are represented in every piece.
