ben@amityhome.com
www.amityhome.com

At Amity Home, we've got you covered floor to ceiling. As an international leader in textiles since 1997, we ensure quality and style in every product. Crafted from natural materials for comfort and durability, our diverse collections offer personalized design for your projects.

AntlerWorx | SAMS G-2033A, G-Lobby

antlerworx.shawn@gmail.com
www.antlerworx.com

In 2003, the humble beginnings of AntlerWorx began in the backyard shop of Shaun & Katheryn Baker. An idea that grew into something bigger than we ever imagined. Our designs have evolved to not just "all things rustic" but now encompass a more modern look and feel, while still capturing the essence of nature. Our product line is vast and ever changing. We hope you enjoy the diversity of our collective works as much as we do.

Art Floral Trading | SAMS G-3042

pearl@artfloraltrading.com
www.floralimport.com

The abstract form and textured surfaces of this handcrafted ceramic vase are inspired by the ocean's hidden treasures. Although its robust and watertight qualities make it perfect for showcasing a bouquet of flowers. These vessels are striking decorative piece in its own right.

Artiplanto | SAMS M-7006

ian.braide@artiplanto.com
www.artiplanto.com

At Artiplanto, we're proud to offer a deep selection of flora who's vibrancy and beauty find them well placed in any setting. Sprucing up your living room, adding some flare to your patio, bringing a sense of life to empty spaces. Designers choose Artiplanto because we offer what no one else can: beauty and quality at the right price.

Bar U Topia | SAMS M-5027

info@barutopia.com
www.barutopia.com

Bar U Topia, crafted by Christopher Price and produced by Fence Quarter, LLC, began with multiple prototypes. Extensive testing and innovative construction methods have culminated in its industry-wide introduction. Features include a durable bar top, distinctive leather tiles, power chord chases for power integration, and a versatile range of accessories.

BIDK Home | SAMS G-5000

Jgiancotti@bidkhome.com
www.bidkhome.com

It started with a Dutch étagère in 1990. René Barreveld knew he had stumbled upon something special for American buyers and began importing the intricate scroll-work shelves. From there, a company blossomed, joined later on by a contemporary offshoot, DK Home. Today, BIDKhome remains a family-run wholesale business. We continue to hand-select unique, ever-changing designs from Europe, while also ushering in renewed energy and fresh perspectives. In our own sourcing from 25 countries, we have bolstered our bread-and-butter collections and renewed our focus on finding products with special attributes such as exclusivity, design pedigree, and production story.

Loominology Rugs | SAMS M-7059

sales@loominology.com
www.loominology.com

Founded in 1943, an Anatolian farmer sold his land and devoted all his savings into the manufacturing and sales of carpets. He was also responsible for manufacturing and then exposing indigenous carpets from Central Anatolia to Istanbul. It is out of these beginnings, in another world and another time, in Anatolia that Loominology was born. Combining its experience and expertise with international partners and management team, Loominology is now operating in seven countries over three continents. This places Loominology in a unique position regarding its production capacity and its know-how.
