Inspired by the enduring allure of pearl jewelry, Trigo's glowing etched opal glass globes create an organic flow that echoes the unique beauty found in genuine pearls.

Evoking the concepts of eternity and limitlessness, Rhea's continuously flowing loops of refined metal create a ribbed texture along its gracefully curved backplate.

Azalea's intricate silhouette is adorned with double-layered glass blossoms crafted from clear and white glass, inspired by the natural romance of annual spring blooms.

Inspired by Italian design, Veleta's natural alabaster shade is showcased by a geometric frame. One-of-a-kind color variations and organically formed textures make each fixture truly unique.

"The 10-foot Skye in white and brass is an absolute showstopper, perfect for grand entryways." - Lisa McDennon

Elegant yet edgy, Lyla's geometric Oatmeal Linen shade with a textured, wrapped middle band is suspended from refined Lacquered Brass micro-chains – inspired by delicate jewelry designs.

Taking a nod from current distressed fashions, Baya's soft, hand-sewn patchwork shade creates a light and elegant feeling.

Named after a beach in Laguna, California, marked by a single, large palm leaf umbrella in the sand – Thalia's distinctive, whimsical woven design evokes the relaxed, carefree spirit of coastal living
