STICKLEY®

APRIL 2024 MARKET INTRODUCTIONS

Spring awakens at Stickley Furniture, with 38 new additions and revitalized favorites popping up throughout our **200 North Hamilton Street** showroom. As ever, our focus is on creating furniture that simultaneously elevates a home and fulfills a need—with versatility, comfort, and enduring craftsmanship as the common denominators. This is also a milestone year for our company as we celebrate 50 years of the Audi family’s stewardship as the owners of L. & J.G. Stickley!

PORTFOLIO120 INTRODUCTIONS

Two new occasional groups have been created to pair with our most generously sized sofas and chairs. In Durant, designed to accompany our new Durant sofa group, **sustainable recycled copper** wraps thick tabletops and transforms sliding doors. Rustic Santa Fe, crafted of quartersawn oak with iconic Stickley construction details, has a **grand scale** that’s made to match our popular Santa Fe sofa.

ORIGINS BY STICKLEY

Origins by Stickley welcomes a new wave of new upholstered items. **Three sofa groups** in track-arm, sock-arm, and roll-arm designs offer fine tailoring and plush comfort, and a set of **38-inch square and 30-by-50 inch rectangular cocktail ottomans** arrives with three upholstered top options. In casegoods, the Dwyer collection now features a pair of glass-topped occasional tables.

WALNUT GROVE INTRODUCTIONS

We continue to expand Walnut Grove thoughtfully with pieces that customers want and need. Our new Studio Bed has a scale that takes smaller spaces into account and works beautifully with the Tall Chest we introduced last fall. A **versatile 64-inch Spindle Bench** can live in an entryway, at the foot of a bed, or alongside a dining table. Both share the collection’s mid-century modern polish and sculpted black walnut. You’ll also find a Square Corner unit added to round out last season’s Tufted-Back Sectional.

STICKLEY FINE UPHOLSTERY

The Durant sofa group places an emphasis on lush, roomy comfort. The new sofa, **family-sized at 101 inches**, features three wide seats and two throw pillows at either end. It’s joined by an 88-inch mid-size sofa, a chair-and-a-half, an ottoman, and a storage ottoman.

MISSION INTRODUCTIONS

After a warm response to our Little Treasures Copper-Top Tabouret, we’ve upped its proportions to create a full-size companion piece, the Mission Copper-Top Side Table. Two beautiful upholstered dining chairs offer a new seating option for the Highlands Collection, and the Orchard Street Sofa is now available as a **63-inch wall-hugging loveseat**. The Prairie Studio Rug is a sophisticated addition to our Arts and Crafts Designer Rugs.

FABRIC & LEATHER INTRODUCTIONS

This spring, we are introducing **100+ fabrics**, a majority of which support our **Express Ship fabric program**. Colors range from warm neutrals and natural browns to fresh greens and tranquil blues. Graphics trend larger and geometrics smaller, while layers of soft textures and dimensional weaves take center stage. And durable, easy-to-clean base cloths and decorative jacquards reaffirm our commitment to high-quality performance. Leathers with exceptional touch come in warm colors found in nature, from truffle to butternut to olive. **Three new leather articles** include sumptuous, antiqued Italian anilines with varying degrees of pull-up effect.
