COMPANY INFORMATION

Truett Designs started as creative journey to pursue a passion to create and curate! Our curated collections are a reflection of Truett's creative journey of her hand painted works of art inspired by her travels, love of art, nature and stories of her personal history. Truett's designs blend old with new, modern with traditional, and the expected with the unexpected. Our boutique line of luxury textiles, handmade pillows and wallpaper are sustainably made in England. We are designer friendly, and offer many customization options for our pillows, fabric and wallpaper.
