### **CERERIA MOLLA INAUGURAL SHOWCASE AT HIGH POINT MARKET**

**– Experience the Essence of Tradition and Luxury in Every Handcrafted Candle –**

Fort Lauderdale, FL - March 21, 2024 – Cereria Molla, the epitome of exquisite craftsmanship in luxury candle making, is set to make a remarkable debut at the highly anticipated High Point Market in the Suites at Market Square from April 12th through 17th, booth M-5024. As the premier destination for interior design inspiration, High Point Market will provide the perfect stage for Cereria Molla to showcase its exceptional unique collections, featuring an array of captivating products and enchanting aromas.

At Cereria Molla, tradition meets innovation through a diverse range of handcrafted candles, reed diffusers, incense, soaps and body lotions, designed to evoke a sense of luxury and sophistication. Their stand out size options allow consumers to choose how to elevate their space, with candles weighing up to 15.4lbs featuring 7 wicks, and reed diffusers in sizes up to 101 fl oz. Cereria Molla prides itself on creating fragrances from natural elements, with original recipes passed down through generations.

“High Point Market offers us a unique opportunity to showcase Cereria Molla's tradition of craftsmanship and innovation to a global audience,” says Patrick Goguillon, Co-Founder of Europeans Scents, the exclusive U.S. distributor of Cereria Molla. “As we showcase our handcrafted collections, we invite attendees to immerse themselves in the timeless elegance and exquisite aromas that define our brand.”

Originating in Spain 125 years ago, the company was founded by a family passionate about connecting emotion and fragrance. In addition to its all natural fragrances, they pour enthusiasm and care into each product, placing their devotion to quality above all. Since its founding in 1899, Cereria Molla has kept its rich history alive through six generations, passing down years of production processes that promise excellence.

Don't miss the opportunity to experience the timeless elegance of Cereria Molla's handcrafted collections at High Point Market, located in the Mezzanine (booth M-5024) in the Suites at Market Square. Join us as we celebrate over a century of excellence in candle making.
