Petal Vase Large. Handmade in Italy. Each and every distinctive petal of the Petalo Vase is hand-applied by Italian artisans in Tuscany, Italy.

Baylee Chair. With an open, airy weave and just the right amount of pitch for dining, you'll welcome this chair to the table. Woven in palm rattan in a natural finish.

Monterey Grande Pendant. Hand-woven of natural rattan and designed in a bell-shaped silhouette, this casual yet refined pendant is scaled for the wide-open space.

Gemma Storage Console, Set of 3. Woven in a thick Kubu rattan with a natural light gray finish, this set of three is a gorgeous storage solution for any room.

Evren Vase Short. This palm rattan woven vase features an undulating shape wrapped around a rigid wire frame. It takes a masterful weaver to achieve this level of artistry.
