Like you, we believe in the beauty of home. We were founded in Napa, California, in 2000, with one simple goal: to help elevate each & every living space. Over the years we have forged relationships with many of the world's best artisans, allowing us to offer you selections that are curated, crafted and contemporary. From the front hall to the back garden, Napa is there to help make everything beautiful.

This April, after 10 years, Napa Home & Garden is back at High Point. We look forward to revisiting old relationships, and discovering new ones! With the launch of our gorgeous new indoor-outdoor pillow collection, new teak dining tables, and exquisite Italian ceramics straight from Tuscany, Napa offers you the very best- in more ways than one. We have home accents, lighting, furniture, wall art, basketry, tabletop, gardener's pots, cachepots and large scale planters to get things growing. Faux florals and estate trees to stimulate the senses and an array of home decor to exceed the expectations of today's discerning designer.
