Sea & Soul Charts crafts beautiful coastal home decor featuring 3D nautical wood maps of lakes, islands and coastlines from around the world. Completely and proudly made in the USA.

Good vibes happen on the tides! East Coast Tide Clocks were designed by a fisherman nearly 40 years ago to show the time between the tides. Available for all your favorite East Coast locations.

COMPANY INFORMATION

Crafting Memories: The Art of Sea & Soul Charts

Welcome to our world of bespoke coastal home decor, where every piece tells a unique story that celebrates the beauty of craftsmanship, personal connection and the enduring allure of the coast. Sea & Soul Charts crafts beautiful coastal home decor featuring 3D nautical wood maps of lakes, islands and coastlines from around the world. Combining a creative use of new technology along with time honored techniques, our products are handcrafted one at a time – the way it used to be. It is our hope that each chart calls to mind your own cherished family memories made along the shorelines that inspire them. Explore our collection and let the joy and memories of the shore redefine your living spaces.
