COMPANY INFORMATION

Modern furniture with an old soul.

Based in Asheville, NC, Coda Wood Studio handcrafts wooden furniture and homewares using human- and eco-friendly practices. Our pieces are designed for a modern world while featuring traditional techniques and joinery to draw lines across a multigenerational craft tradition. We celebrate the natural beauty of wood with a palette of five native North American species, creating a rainbow of browns and tans across a collection of monochromatic designs. Each product is hand finished with all-natural, food grade oils and waxes, ensuring perfect harmony with our home on Earth.
