COMPANY INFORMATION

We've been designing beautiful, ethically sourced, handcrafted home goods from around the world for over 18 years. Each of our products was crafted by a pair of hands before finding itself in yours. We care deeply about how each of our products are made and release new products each season with this vision in mind. Our collections are thoughtfully designed in-house by our dedicated team in Northern California. Every Be Home product is handcrafted in small batches, making it truly one-of-a-kind. We prioritize partnerships with family and women-owned artisans, contributing to the livelihoods of independent makers around the globe.

Additionally, Be Home proudly holds the status of a Certified Green Business in California, a testament to their steadfast commitment to preserving the beauty of our world for generations to come.
