## COMPANY INFORMATION

Stephanie Parisi has created an extensive portfolio from luxury homes to hotels and restaurants with her scope encompassing both interior design and specialized home accessories. With an innate passion for tapping into sensory and emotional resonance of environments, Stephanie has seamlessly blended her interests in wellness living and background in psychology to become an internationally recognized interior designer who envisioned the development of these new collections.

The iconic brand collections are synonymous with rich simplicity and transformative innovation. In a world that often feels chaotic and impersonal, the collections offer a quiet pampering aesthetic supporting serenity and well-being. The Studio Collection, inspired by bespoke furnishings, blends styles and archetypal cultural elements. Inspired by the casual yet sophisticated beach lifestyle the Coastal Collection of furnishings whispers to seaside living. The Giasone Collection, a curated series of art and sculpture, provides drama and color with the intent of sharing contemplative and life enriching experiences.

Her design process is based on creating spaces and products by bridging intuitive creativity and artistic collaboration with the findings of modern science and technology. Her studio portfolio includes designs featured in some of the world's leading design and lifestyle publications including Architectural Digest (AD), AD France, AD Italia, Casa Vogue and international editions of Elle Decor.
