COMPANY INFORMATION

Sunnyside offers global antique, vintage, and repurposed furniture, textiles, rugs, architectural elements, and decor. We work directly with antique dealers, artisans and manufacturers, carefully curating our collection. We source our items from India, China, Turkey, Thailand and Morocco. We pride ourselves in sharing the stories that these pieces tell, the artistry and craftsmanship behind them, as well as the cultural and historical significance. Our love for community, world cultures, travel, and our planet are the roots of our business.
