COMPANY INFORMATION

100% Swakara Wool Rugs, Blankets, Pillows & Wall-Hangings

The Mill USA began with the goal of helping alleviate poverty in southern Namibia, creating jobs and training artisans to handweave rugs & other wool goods.

Our rugs are designed in the USA and handwoven in Namibia, Africa. The Mill USA connects two families on different continents. Michelle, a South African with a passion for job creation and a rich family heritage in the textile industry and Kathleen, an American interior designer with a love for Africa, beauty and social impact.
