LithoWood™ 

## **Introducing LithoWood™,**

Paper-Backed Wood Veneer Sheets, enhanced with digitally printed rare wood veneer patterns. Combining natural wood elegance with cutting-edge digital printing technology, LithoWood™ delivers luxury real wood aesthetics with consistency previously only available in laminates. Wood patterns are meticulously selected from an exquisite collection of veneer logs, accumulated over more than 40 years. Perfect for interior design and furniture projects, LithoWood™ is crafted on sustainably certified wood veneer substrates with UV resistant inks, ensuring both quality and durability. Elevate your designs with the distinctive beauty and versatility of LithoWood™.
