COMPANY INFORMATION

Lexington Home Brands is one of the industry's most respected manufacturers, having been a leader in innovative design and lifestyle marketing for over a century. The company offers the most diverse product assortment in upper-end home furnishings, with a recognized brand portfolio that includes Lexington, Tommy Bahama Home, Tommy Bahama Outdoor Living, Barclay Butera, Artistica Home, and Sligh office and media designs.

Products are distributed through home furnishings retailers, independent design professionals, design showrooms and select Internet retailers. The company is headquartered in High Point, North Carolina, with showrooms in High Point, New York and Denver. For additional information, visit lexington.com.

Please note: During Market, you can catch a dedicated shuttle to the Main Showroom from the Lexington Design Studio @ 116 E Commerce (right across the street from IHFC) .
