## **Maxwood Furniture Launching Exclusive Dining Designs!**

### **New Exclusive Designs – Launching Spring 2024**

Building on the success of dining collections, Maxwood is launching new designs this Spring High Point Market. New chairs, console, coffee & side tables will also be on display, along with expanded bedroom collections.

*“In response to demand, we curated four new dining designs for our network of dealers. These will be in US warehouse stock & ready to ship by end Q2, 2024.” – Peter Schlunssen, Maxwood Global Sales Director.*

### **Cross Category Mixed Containers – Order Direct & Save!**

Maxwood Furniture is a one-stop-shop for diverse quality wood furniture products. All precision engineered in their state of the art 1,300,000 square foot factory in Vietnam. Products can be ordered from US warehouse stock or container direct. Export customers can select from existing designs or create custom products & private collections. Low MOQs enable customers to mix containers across bedroom, dining & occasional furniture. So, even smaller companies can order direct & save!
