The Etch 24" Bathroom Vanity features a concrete top balanced by an acacia wood shelf, creating a striking focal point in any bathroom. This vanity stands on iron legs and includes a ceramic basin.

The Liana Modular Sofa features dense foam padding encased in fabric upholstery. Its low profile and deep seating are durably constructed and supported by solid wood bun feet.

Constructed with an aluminum frame and a synthetic woven rattan, the Thames Outdoor Armchair is fitted with upholstered fabric cushions that are UV-resistant and water-repellent.

Upholstered in performance velvet, the Monroe Accent Chair features foam padding and a sinuous spring system for a sink-in-feel. Round wood feet, provide a striking contrast to the velvet chair.

The Kai Dining Chair features sharp, angular lines and a minimalist design. Built on an ash wood frame and legs, this dining chair showcases a unique rolled backrest upholstered in premium fabric.

With a nod to retro aesthetics, the Jace Accent Chair features a curved backrest and is supported by three sturdy ash wood. Upholstered in faux fur fabric, this chair complements a variety of decors.

The Samos Sideboard is crafted with a wood grain laminate and comes adorned with rectangular panels forming a geometric grid on the push-to-open doors. Adjustable shelves provide generous storage.

The Solace Sectional Sofa, upholstered in corduroy, offers endless flexibility. Featuring a sturdy frame, dense foam padding, and a sinuous spring system, Solace grants a premium seating experience.
