## COMPANY INFORMATION

IFD operates two manufacturing factories in Mexico and four warehouses in the U.S. They are a leading furniture design and manufacturing company, introducing new products and collections every three months. IFD takes pride in its innovative design and offers a warranty on its products. They own 100% of the manufacturing and distribution process and have been in business for over 25 years, expanding internationally. They have showrooms at two venues - Las Vegas Winter and Summer Market, and High Point Spring and Fall Market, where they not only showcase their furniture but also provide valuable services. From the start, IFD has been dedicated to environmental sustainability, utilizing sustainable wood and renewable processes in their manufacturing. Our two state-of-the-art factories in Mexico, with over 20 years of experience in export-quality furniture making, back our operations.
