COMPANY INFORMATION

House of Mercier is a Peruvian company that has more than 20 years of experience in the manufacture of leather and wood furniture and accessories; managed responsibly with the environment, in the international market. It is currently recognized as one of the most representative brands in the framing and furniture market in the United States of America and Canada thanks to the high quality and innovative designs of our 100% handmade products.

House of Mercier has expanded its product line to include exceptional leather frames, leather furniture, and leather accessories, all made of fine Peruvian material.
