### Redefining Tradition: The New Era of Mr. & Mrs. Howard for Sherrill Furniture

**HIGH POINT, NC** – As the industry eagerly anticipates the unveiling of new trends at the fall 2024 High Point Furniture Market, Mr. & Mrs. Howard for Sherrill Furniture is set to showcase timeless designs with a focus on sculptural shapes and updated upholstery classics. The new offerings promise to deliver a fresh take on luxurious living, embodying a collected-over-time aesthetic that blends seamlessly with today’s interiors.

This season, sculptural shapes take center stage, transforming functional furniture into artful masterpieces. These designs not only enhance the visual appeal of a space but also serve as statement pieces that capture attention and spark conversation.

The **Chairside Table MH32321** is a perfect example of this trend, featuring undulating forms of discs and bisecting planes, skillfully crafted from exotic stonework. More than just a table, it’s a timeless art form that seamlessly blends beauty and functionality. With its elegant design, this side table is as durable as it is stunning, offering a scratch and stain-resistant surface that promises lasting elegance in any room.

The new introductions also embrace the trend of creating a ‘collected over time’ feeling, where each piece tells its own story. This approach allows for the layering of different styles, periods, and materials, resulting in a home that feels uniquely personal and rich in character. From stunning stone to modern table shapes, the collection captures the essence of curated elegance, where every item feels like a treasured find.

The **Gregory Nightstand MH30570** tells the ‘collected over time’ story well. It is a transitional nightstand, making it extra versatile. It immerses itself in multiple design genres with its bowed front and burl wood skin. This chest is well-suited in any environment or room.

The use of interesting shapes and metals, along with an emphasis on wood grain, ensures that each item will stand the test of time, becoming a cherished part of any home.
