

Press Release 2024

At Bontempi Casa, we epitomize Italian design, seamlessly blending tradition and innovation into elegant creations. For over 60 years, we've crafted furniture transcending functionality, transforming spaces into timeless expressions of beauty and comfort.

Since 1963, the founders Alessandro and Giancarlo Bontempi have transformed their passion into a thriving enterprise, an artisanal haven dedicated to metal craftsmanship. The ensuing decades witnessed the inauguration of a new factory and the birth of the Bontempi Casa brand. In 1987, our commitment to innovation and artistry was duly recognized when the Delfina chair received the prestigious COMPASSO D'ORO award for its poetic synthesis of diverse technologies, coupled with structural and ergonomic brilliance.

Deeply respecting our heritage while looking forward, our artisans meticulously craft and rigorously test each piece, ensuring unparalleled quality and durability. Leveraging expertise, passion, cutting-edge technology, and innovative materials, we curate experiences evoking wonder and delight, staying relevant while upholding timeless craftsmanship principles that define our identity.

In 2010, a generational transition marked a new chapter in our legacy. Today, Michele, Massimiliano, Laura and Annalisa Bontempi carry forward the vision of their parents, infusing the company with a renewed passion, insatiable curiosity, and unwavering dedication to excellence. Our mission remains steadfast: to preserve Bontempi's familial essence, ensuring that it continues to be a beacon for individuals whose connection to the company transcends mere profession, intertwining with their very lives, passions, and aspirations.

In 2021, a significant milestone was reached as a portion of the company's shares were acquired by the Colombini Group. This strategic move aims to fuel growth through collaborative synergies and bolster economic and financial stability, while safeguarding the autonomy and leadership of Bontempi within the broader group framework.

In 2024, our DORIS armchair has been honored with the prestigious RED DOT DESIGN AWARD. This accolade is a testament to our unwavering commitment to exceptional design, comfort, and superior quality.
