COMPANY INFORMATION

Life's Best Moments. Furnished.

Summer Classics is an industry leader in manufacturing custom designed, premier luxury outdoor furniture. Our collections consist of woven wicker made from our own superior quality N-dura™ resin, cast aluminum, wrought aluminum, teak and wrought iron patio furniture. Many of our collections are designed to include custom cushions made in the USA from our exclusive lines of highly durable outdoor fabrics.

The Summer Classics brand stands out. It is exciting and unexpected, timeless yet fashionable. Our designers are inspired to create sophisticated products. We do this by combining traditional craftsmanship with diverse materials. In a disposable culture, this makes Summer Classics a purchase for generations. Our family has created outdoor furniture for over a quarter century. This sense of commitment moves us to delight our customers.
