New to our Signature Series, Cream Mongolian stands out with its long pile and lightly crimped fur. Easily add texture to any space with the fluffy goodness of Cream Mongolian.

Fisher blends rich Browns and Tans with Golden highlights. Subtle Grey tipping adds yet another dimension to this believably beautiful and amazingly authentic fur.

Arctic Wolf dominated by a deep, lush Ivory center, subtle Charcoal Grey tipping adds dynamic depth to this substantially plush fur. Flanked on either side by a rich Chocolate Brown and Tan border.

Blonde Fox features cool Ivories, warmed by an undercoat of tonal shades of Tans and Greys, subtle Ivory guard hairs add to the authenticity of this extravagantly luxurious cruelty-free replica.

New to our Limited Edition Collection, Chocolate Fox incorporates rich browns and dark charcoal perfect for contemporary and rustic settings.

To lush, luxe touch, add an exciting rich Caramel color palette that moves from the warmth of Caramel to delicate Creamy Tans. Caramel Chinchilla is further enhanced with textural tucks and ruching.

Chinchilla is artfully authentic, deep Charcoal Grey transitions to Pale Grey over a darker Grey undercoat, in a lovely balanced color palette.

The tucks and pleats that create texture and a fluid, liquid hand, ruching adds even more depth and richness to Ivory Mink. Understandably our best-selling throw thanks to a whisper-soft touch.

COMPANY INFORMATION

Our brand began with a passion for animals, needle, thread, and the belief that cruelty-free fashion could be achieved. Over 30 years ago, after sewing a luxurious faux fur coat for herself, Donna Salyers designed a sewing kit so others could do the same. Success followed passion and excellence, and Donna ushered in an exciting new era for the faux fur industry.

At Donna Salyers Fabulous-Furs, we remain loyal to the true craftsmanship that goes into creating our products. Our fabrics and materials are carefully selected to ensure the finest luxury faux furs.

Our faux fur is made of the most natural looking, visually and texturally exquisite textiles, sourced by industry experts. Much of our merchandise is handcrafted in our workroom and made in the USA. All products withstand a rigorous 20-point quality inspection and assurance. Every piece in our collection receives personal attention, from the design table to the sewing room, from our hands to yours.

Sold in Neiman Marcus, Horchow, Nordstrom, Williams-Sonoma Home, Yves Delorme and luxury boutiques and hotels throughout the country, we have raised the bar on the quality of faux fur in the market today. Fabulous-Furs have appeared on many television and Broadway shows, and worn by celebrities including Adele, Mariah Carey, Kim Kardashian and on the cover of Oprah Magazine
