COMPANY INFORMATION

Inspired by great works of art, David Lee created Poetic Pillow with a desire for creating beautiful and meaningful living spaces.

Poetic Pillow leverages innovations in fabric printing to incorporate classic and new art into home design and décor. Each product begins as an endeavor to identify specific and special motifs to aesthetically transform any space. Poetic Pillow reinterprets each art work into a fabric format using hues, colors, and layouts with a thoughtful design focus. Each design is transferred onto high quality fabric, hand finished with care, and inspected for quality.

Poetic Pillow works with artists and artisans around the globe to curate a designer friendly collection suitable for any home.

Through fine bedding, pillows, throws, draperies and fabrics, Poetic Pillow shares its motto of living poetically.

As a social enterprise, Poetic Pillow focuses on three philanthropic missions: support arts education, foster mental health initiatives, and diminish the environmental impact of the home decor industry. Begin living Poetically today.
