Our journey starts in the oceans, where discarded plastic bottles threaten marine life. We've transformed them into eco-friendly, breathable, and ultra-soft bedding.

Made from 100% recycled ocean plastic, our quilts are designed to be soft, breathable, and eco-friendly. Available in four timeless colors —?????????? ??????????, ?????????? ??????????, ?????????? ??????????

Made from 100% recycled ocean plastic, our quilts are designed to be soft, breathable, and eco-friendly. Available in four timeless colors —?????????? ??????????, ?????????? ??????????, ?????????? ??????????

Our bedding is crafted from 100% recycled plastic bottles collected from the ocean, transforming environmental waste into luxurious comfort.

We're redefining luxury by transforming ocean plastic bottles into ultra-soft, eco-friendly bedding.

is beautifully quilted with edge binding, finished on both sides, and dyed to match our sheets for a seamless look.

Sustainable materials, Superior softness & airflow, Certified sustainable production

?Every purchase you make helps reduce ocean waste and protect our planet. Join us in building a cleaner, greener future.

## COMPANY INFORMATION

Ocean Fine Bedding offers an eco-friendly sleep solution crafted from post-consumer ocean plastic. We transform discarded plastic bottles into durable fibers, woven into soft, cotton-like 300-thread-count sheeting, seamlessly blending sustainability with luxury. Our bedding is certified safe and sustainable, ensuring it is free from harmful substances and environmentally responsible. By choosing Ocean Fine Bedding, you're not just treating yourself to comfort and luxury—you're also helping reduce ocean plastic pollution and making a positive impact on our planet.
