Introducing Seven New Mural Designs at High Point Market

We are excited to unveil six new mural designs at the upcoming High Point Market, expanding our collection with fresh artistic perspectives and inspiring new possibilities for interior spaces. From captivating imagery to beautifully considered details, each mural offers designers and industry professionals new ways to transform interiors and create memorable environments. We look forward to sharing these new designs at High Point Market and inspiring the next wave of creative possibilities in wallcoverings.

All murals are available in multiple size options, and on a variety of materials.

Nantucket

The Caitlin Wilson Collection
CWC-NTK

Bring the effortless charm of New England indoors with the Nantucket mural. Capturing a blend of blooming hydrangeas, weathered cedar homes, and gentle ocean breezes, this design fills your space with coastal calm. Sailboats drift across a quiet harbor under the watch of historic lighthouses, bringing timeless story and warmth to your walls. creative possibilities in wallcoverings.
