Discobolo

Discobolo is a collection of two wine glasses and a tumbler. A colored, glass disc at the foot of each glass and the bowl of the wine glasses creates a refined link throughout the collection. Discobolo blends meticulous design and visual lightness for a contemporary, sophisticated table.

Sam

Designed by bartender Samuele Ambrosi, the Sam collection is the first series of cocktail glasses created by an Italian mixologist for an Italian brand. Five handcrafted glasses combine lightness, clarity, and durability. The base of each piece is engraved with a design inspired by citrus fruits, a symbol of mixology and the Mediterranean spirit. A professional yet accessible collection, ideal for anyone who enjoys an elevated cocktail experience.
