COMPANY INFORMATION

Like you, we believe in the beauty of home. We were founded in Napa, California, in 2000, with one simple goal: to help elevate each & every living space. Over the years we have forged relationships with many of the world's best artisans, allowing us to offer you selections that are curated, crafted and contemporary. From the front hall to the back garden, Napa is there to help make everything beautiful.

With our new sculptural ceramics from Portugal, and our exquisite life-like botanicals, faux floral & fern drop-ins, and exquisite Italian ceramics straight from Tuscany, Napa offers you the very best- in more ways than one. Our extensive offerings also include home accents, exclusive cordless LED lamps, and solar LED lanterns, wall art, basketry, lighting, tabletop, gardener's pots, cachepots, large-scale planters and estate trees. You'll find us in our wide-open re-designed showroom in the Suites at Market Square just inside the front entry, you can't miss us. Happy Shopping!
