COMPANY INFORMATION

Danish Design & Craftsmanship | CoreOne is a Danish furniture company rooted in the traditions of Scandinavian design, where aesthetics, functionality, and craftsmanship come together. Since 2008, CoreOne has developed contemporary furniture with a focus on timeless design, quality materials, and refined details.

With its design base in Denmark and its own manufacturing facility, Response Vietnam, CoreOne combines Danish design heritage with skilled craftsmanship and modern production. This close connection between design and manufacturing ensures high quality, flexibility, and attention to every piece.

We work with designers who share our passion for the aesthetics of Scandinavian design, Mid-Century modernism, and industrial design - creating furniture that balances simplicity, character, and lasting quality.
