COMPANY INFORMATION

Piffany Copenhagen Inc. proudly presents Uyuni Lighting, bringing innovative LED candlelight together with refined Scandinavian design. Inspired by the remarkable light of the Uyuni salt flats in Bolivia, Uyuni Lighting creates premium LED candles designed to capture the warmth, movement, and atmosphere of traditional candlelight. At the heart of the collection is our patented Signature Flicker™ flame technology, complemented by thoughtful features including remote control functionality, adjustable timers, dimming, and long battery life.

From Classic Taper Candles and Pillar Candles to rechargeable designs, outdoor lighting, lanterns, and decorative accessories, the collection offers versatile lighting solutions for homes, hospitality, retail, and professional interiors.

We are excited to exhibit at High Point Market for the first time and look forward to introducing visitors to the world of Uyuni Lighting, where thoughtful design, functionality, and atmosphere come together.
