

CRAFTMASTER

F U R N I T U R E

Digital Press Kit

Deeply rooted in Taylorsville, North Carolina, Craftmaster Furniture carries forward a rich legacy of American upholstery. We specialize in dependable, beautifully crafted furniture that effortlessly marries time-honored techniques with contemporary innovation. Dedicated to both eco-friendly practices and personal expression, Craftmaster offers countless fabric and frame combinations—ensuring every piece brings tailored comfort and lasting style to the heart of your home.

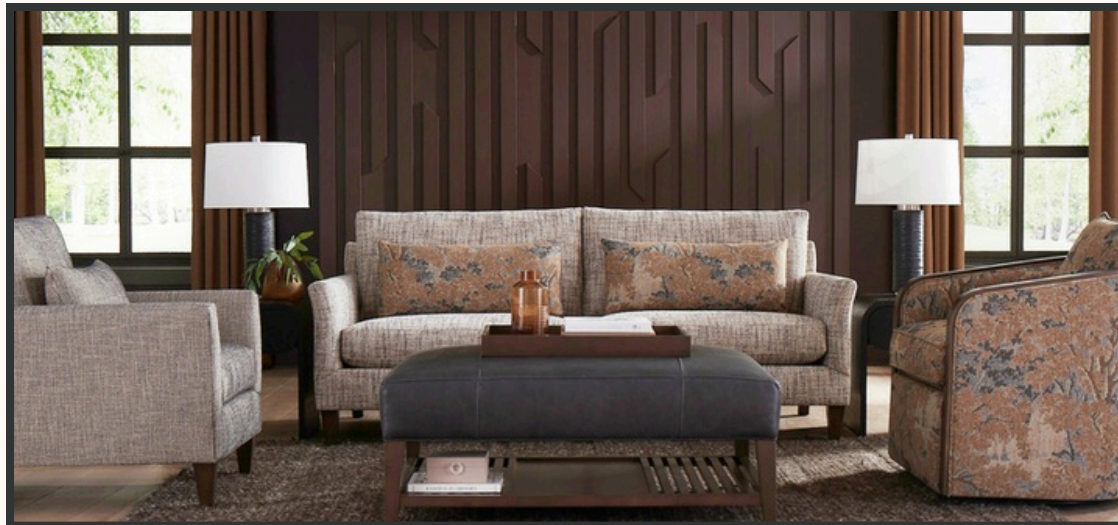

Our mission is to hand-craft quality, comfortable, and stylish upholstered furniture in the USA, offering extensive customization while maintaining affordability, safety, and environmental responsibility — all grounded in our local roots and our commitment to community and craftsmanship.

Join us for *Crafted Conversations* @ 3:00 during High Point Furniture Market

Friday, October 16th - Crypton will share fiber insights, performance benefits, and a live demonstration showing just how cleanable performance fabrics can be.

Saturday, October 17th - Today we welcome, Melissa Herriott, an artist and interior designer to share her personal journey of leaving the corporate world behind to build a creative studio specializing in distinctive interiors and original artwork.

Melissa's designs and artwork can be found in homes and businesses throughout Charlotte and beyond. She is regularly featured on live television, was cast in HGTV's hit series Renovation Resort and has earned recognition at juried art shows.

Sunday, October 18th - Revolution Fabric's Team will take us behind the fabric - sharing their construction story, durability, how their fabrics are made and finally putting the fabric to the test with a live demo.
