COMPANY INFORMATION

Discover the Art of Design with Butler Specialty Company.

For 96 years, Butler Specialty Company has designed furniture to do more than fill a space. It's meant to inspire, create connection, and make every space more meaningful. Founded in 1930 as a family-run business, we remain rooted in heritage, craftsmanship, and care, shaping everything from how we design to how we deliver.

Our collections span over 2,000 thoughtfully designed pieces for every room and every style, crafted from premium materials including hardwoods, veneers, marble, stone, metal, and glass. Each piece reflects a balance of artistry and function, brought to life through responsible sourcing and a global network that ensures consistent quality.

From concept through production, we develop products with intention, supported by the systems, speed, and service today's businesses demand. With tailored product development, seamless inventory management, and reliable drop-ship and e-commerce capabilities, we make it easy to scale your assortment and grow with confidence.
